**Appendix to the Application Form
Description of Rights and Duties of Applicants & of Independent European Certification Limited (IECL) /
Independent European Certification (M) Sdn Bhd (IECM) Registered Organisations**

All applicants and Independent European Certification Limited (IECL) / Independent European Certification (M) Sdn Bhd (IECM) Registered Organisations have the following rights as part of the senior management commitment:

1. The right from the senior management commitment of IECL / IECM that it understands the importance of impartiality in carrying out management/product system certification activities and provides for an effective management of the conflict of interest and ensures the objectivity of its management/product certification activities.
2. The right to receive unbiased assessment, surveillance and reassessment audits.
3. The right to be serviced in a professional manner.
4. The right to IECL / IECM services for a reasonable price in line with the written quotation.
5. The right to expect that IECL / IECM have the appropriate personnel for registration services.
6. The right to expect that IECL / IECM shall operate its business in a fair, unbiased, business-like manner.
7. The right to expect fast and focused service.
8. The right to expect that IECL / IECM shall only ask questions that is the requirements of the standard to which the applicant or organisation has applied.
9. The right to have the pass-fail criteria as well, as all audit findings Mandatory Improvement Action Report (major non-conformance) and Recommended Improvement Action Report (minor non-conformances), explained to the organisation at each audit. This is done at the closing meeting. Each auditor will explain the findings in detail and answer any questions relating to it at that time at the closing meeting. No consultancy by IECL / IECM auditors shall take place during discussions or questions/answer period.
10. The right to appeal/dispute the results of any audit findings in writing to the Certification Manager.
11. The right to have an appeals and disputes process that protects their interests.
12. The right to have any questions explained to them, which also includes, the application of the standard they have applied for in regards to their company, management system, processes and products.
13. The right to expect that IECL / IECM will operate its own quality system will full compliance to all UKAS/SM/ACCREDIA and international requirements that may apply to the scope of IECL / IECM operation and their management system.
14. The right to expect that IECL / IECM will maintain its requirements for accreditation.
15. The right to continuing certification activities such as at least annual surveillances and tri-annual reassessments and to be advised by IECL / IECM of any changes to the certification activity in writing as any updates become necessary.
Note: that the first surveillance audit after initial certification should not be more than 12 months after the certification decision date.
16. The right to complain in writing to the Certification Manager on any complaint or appeal and be informed of the procedure and outcome of any such appeal/complaint

All applicants and IECL / IECM registered organisations have the following duties:

1. The duty to give access to IECL / IECM and UKAS/SM/ACCREDIA auditors for all legal purposes including assessment & post assessment reviews. *Note: In Italy only - among the various reasons there is the possibility of carrying out audits without prior notification as required by RG-01, rev. 05 General Part clause 1.1.3*
2. The duty to clearly and accurately inform IECL / IECM of the company's facilities, products/services, processes and aspects of its operations and management system and any changes including changes in ownership/processes, products/services and processes etc.
3. The duty to assist IECL / IECM & UKAS/SM/ACCREDIA auditors in the performance of their audits.
4. The duty to make available all documents required to support audits as requested by the IECL / IECM & UKAS/SM/ACCREDIA auditors.
5. The duty to correct any non-conformances as found by IECL / IECM auditors in a timely and effective manner.
6. The duty to sustain and execute the agreed upon contract and all of its requirements and agreements and to complete and submit a new application form (available on the web site <http://www.eurcert.co.uk/> or <https://iecmalaysia.com.my/>) when there is any change in the scope, ownership or at least every 3 years prior to the expiry of the current certificate.
7. The duty to inform the IECL / IECM, without delay, of the occurrence of a serious incident or breach of regulation necessitating the involvement of the appropriate regulatory authority. In the event of a serious incident a special audit may be necessary and the outcome of the investigation recorded. If it is demonstrated that the system failed to meet the OH&S requirements- action will be taken which can include suspension or withdrawal of certification.
8. The duty to inform IECL / IECM in writing of cancelling your assessment / surveillance visit no less than 10 days prior to your assessment / surveillance. Cancellations within 10 days' notice are charged at a minimum of 50% of the assessment/surveillance cost.
9. The duty to use the IECL / IECM logo and any accreditation marks or logos only as specified in the document "use of IECL / IECM logo" QA21.
10. The duty to claim certification with respect to only the scope of activities for which the organisation has been granted certification.
11. The duty to use the accredited registration marks (IECL / IECM & UKAS/SM/ACCREDIA) in such a manner when making reference to its certification status in communication media such as the internet, brochures or advertising, or other documents as to not bring IECL / IECM & UKAS/SM/ACCREDIA into disrepute and not to make any statement regarding its registration which IECL / IECM & UKAS/SM/ACCREDIA may consider misleading or unauthorised: Such that our certified clients -
 - a. conforms to the requirements of the IECL / IECM conditions when making reference to its certification status in communication media such as the internet, brochures or advertising, or other documents;
 - b. does not make or permit any misleading statement regarding its certification;
